## LOCAL GUIDES & SCOUTS MAKE A *SPLASH* WITH MATCHING GRANT

***EASTERN Hills Guides and Scouts were excited to receive six new canoes this week thanks to a \$2000 Matching Grant awarded to the group by Shire of Mundaring.***

The canoes will be used in a number of activities including canoeing, cleaning up waterways, teaching water safety, team work, and problem solving.

Shire President John Daw said the grants were offered twice a year subject to financial availability.

"The Matching Grant program awards grants up to a maximum of \$2000 to groups whose projects meet the needs of the local community," he said. "Successful recipients are then required to match exactly the grant awarded by the Shire so that the grant makes up fifty per cent of the project's total funding.

"It's an excellent way to help community groups acquire new equipment, undertake training, and repair or update existing facilities.

"I am glad that the scouts and guides group took the opportunity to apply for a Matching Grant. It has helped them purchase six canoes for their water sport activities, a really great result!" said Cr Daw.

Eastern Hills Guides and Scouts were one of 17 local groups to receive a Matching Grant in the Shire's 2017-18 round.

Scout Leader Michael Madlener, known by Scout name 'Grizzly', said the new canoes would allow the group to expand their learning and participate in activities on the water.

"These canoes have replaced ones that were probably 30 or 40 years old that were fibreglass and that 20 years ago I was patching, so they did well, but it will be nice to have canoes that don't leak!" Mr Madlener said.

"It's great because these are actually better than the old canoes so we can take three [kids] in there or potentially take two kids and gear for camping overnight so it gives us more opportunities."

Mr Madlener said the canoes were a great way for the children to keep active and provided them with enjoyment and responsibilities as they worked towards earning badges.

"The other thing with our canoes is that because we are combined guides and scouts up here, scouts get to use them, guides get to use them, but also some of the other scouts in the district also end up borrowing our canoes so it's not just our group that will be utilising them it will actually be scouts in the district," he said.

Guides leader Maxine Gallagher, or "Quenda", said there was potential for a similar sharing arrangement amongst local guides groups.

"And the same with our guides, we have regional camps up at Lake Leschenaultia. Last year we had a regional camp so we used our old canoes and I think even I lifted them there... the light weight of these compared to some of the others will be wonderful," she said.

Eastern Hills scout Billy Baker (10) said "I haven't done canoeing yet," but added he was excited about "going down

rivers in [a canoe] and actually using it."

With an upcoming expedition as well as some new enthusiastic leaders starting with the group, Mr Madlener said it was an exciting time for girls and boys in the area to join the group.

"We've got some new leaders in training and we'd love to see some new scouts and guides join in and use our canoes," he said.

## CHIDLOW PROGRESS ASSOCIATION INC.

### CHIDLOW matters...

The Chidlow Progress Association (CPA) is off and running for 2019 with activities that cover the wide interests of our community. Development of the Community Garden, Skate Park and Basketball Courts will be key areas for our fundraising. Please keep an eye out for events and raffles to help these great causes over the year.

The "gold coin" book exchange located at Chidlow Quality Affordable Meats is also a great way to acquire a new read and help us raise funds.

Our committee has also been actively involved with the Shire's strategic plans for the village/shire and tourism to help our local business community. Your feedback and aspirations in all aspects of our community living are important to us and help us direct our energies. Please feel free to get in touch with us or get involved.

#### Chidlow Hall

Have you stuck your head in lately? The floors are polished, a new stage built, new windows & blinds installed and new storage is "under development". Remember this is your hall and there are many great ways to enjoy it e.g. health & fitness classes, sound meditation, film nights and markets.

**Saturday 13th April is the date planned for the next Working Bee.** Jobs will include painting, cleaning and clearing of gutters. *All hands welcome!* If you can offer your expertise give us a call! *For more details please call Bill 9572 4875 or email woscrivener@yahoo.com.au*

Anzac Day will again see the CPA offering cake and coffee in the Chidlow Hall after the Anzac Day Commemoration. There will also be an Anzac Day display. We look forward to your support for this event.

#### Activities:

Happening every 3rd Saturday of the month, with a variety of morning and twilight markets, these markets have been running for 6 years (by the amazing Irene).

Heading into our 7th year with new coordinator Abbie, the market scene is getting busier and busier we have had some awesome artisans from the beginning, including "Impressionist Watercolour Paintings" and "Vibe Ceramics" Now even more local artisan stalls are joining us on a regular basis including local honey producer "Bongers Bees"

The Chidlow markets is where you can find all things handmade and homegrown, we have some unique stalls with us including framed insects by "Bug Me Insect Art" and denim upcycling from "Byperica Stitch and Bling".

As the market coordinator this year, Abbie's focus is 'Community', listening and responding to what the community would like to see in their town. Based on a market survey conducted at the end of 2018, you want to see a busker's corner, more food vendors and community activities, Abbie says that she is

*'working away at these responses and trying to deliver at each market'.* Local organisations, the "Chidlow Skate Park Committee", "Chidlow Community Garden Committee" and the "Chidlow Cats Basketball Club" have held several successful fundraisers to support their local causes at our markets.

An addition of lawn games (including giant connect four, bocce and giant jenga), cushions, rugs and seating have been added to promote a more welcoming atmosphere.

At our February twilight market, we had a lovely young local Juanita Hardwick perform some tunes for us, creating a calming vibe to the market.

Themed markets are also what people wanted to see, and this year's include

Easter, Christmas in July and Halloween. Children are encouraged to dress up, enter the competitions and enjoy the festivities in a friendly community environment.

The Chidlow Markets prides itself in being extremely helpful to both customers and stall holders, providing information on questions that may arise and assisting stall holders who don't have all the equipment they need (tables, chairs ect).

Abbie's goal this year is to make the Chidlow Locals want to come and visit the markets each and every time, she wants to build up local artisans in the area and encourage them to expand their small hobby businesses.

A big step for the markets this year is a Christmas Market over at the Village Green to go along with the Chidlow Carols. This event is still in the planning stages, but it is estimated that there will be a possibility to have 50+ stalls, including food vendors.

**Do you have a small business? Have a musical talent? Create, make or bake? Grow or sew? Or Fundraising for a good cause? Why not come and give the Chidlow Hall Market Day a go? You never know, it could be the start of something awesome!**

**1st December - 31st March**

## FIRE BREAKS

(Please maintain from

**1st November to 31st March**)

Your firebreaks should be 3 metres wide and 4 metres high and have room to turn in to and around corners...if our truck cannot drive on your firebreak we may not be able to manage fire on your property!

February saw Chidlow VBFB turning out to varied incidents, from a fire in town that started by a lawnmower, to deliberately-lit fires in the bush. One bush-fire was a large one, involving multiple brigades and shifts, and Chidlow turned out three full crews in one day, a fantastic effort from the members that was backed by the great support of our hard-working station crew.

Many thanks to the vigilant community members who have reported smoke and/or flame, allowing brigades to put out the fires before too much damage was done. The cooler weather is coming, but it is still very dry out there, so keep your eyes peeled for accidental or deliberate fires, and for people acting suspiciously. If you can, get number plates, and dial 000 to report suspicious activity to the police as soon as possible. *You might be able to help them catch an arsonist in the act.*

The "Burning prohibited" period is still in place, so please also dial 000 for any signs of fire. We will probably move into the permit season in April, but if rains don't come, the prohibited season may be extended, so don't be an April fool: Make sure you know the latest news from the Shire of Mundaring before lighting up your small piles in April.

Chidlow VBFB is very proud to be once more hosting the Gunfire Breakfast for the RSL on Anzac Day in Chidlow. A breakfast roll of bacon and egg plus a cuppa will be \$5.00 and...continued on page 6

## “You Can Do It”

**At Mundaring Christian College, our morning Pastoral Care period is more than a ten-minute meeting used to take the role and read out the daily notices.**

Our Pastoral Care periods are used to intentionally build our students in a positive manner. Our school regularly hosts guests to address our students on current topics of interest, such as the Australian Defence Force who address the Year 9's and 10's on “Job Opportunities” available in the defence force Armed for Life talk to our Year 7's and 8's on “Screen Addiction”, Elevate Training Lab join us to talk to our Year 11's and 12's on “Study Skills”, and our staff regularly facilitate and encourage safe and open conversations around topics such as; mental health, resilience, character building, and wellbeing.

This year Mundaring Christian College is introducing the “You Can Do It (YCDI)” program. A program designed to strengthen the personal, social and performance capabilities of people of all ages. By implementing this program, we have gained access to on-line portals aimed to equip educators, parents and leaders with learning tools that boost success, improve

relationships, reduce stress, and promote optimal levels of wellbeing.

“Through the YCDI program, Mundaring Christian College is forging a new era in education where students, parents and the College are drawn closer to stand united in an increasingly uncertain world,” said Mr Will Meyer, Head of Secondary Student Services.

Recently, our Secondary Campus hosted an hour-long pastoral care lesson addressing the topic of bullying. Following this lesson, a representative from “ySafe” visited our Secondary campus and addressed the topic of Cyberbullying. Our students gained a lot of insight from the

lecture, and it has equipped them with the necessary tools to safely and healthily deal with bullying.

“We learnt about bullying and how to deal with bullies. We also learnt how to tell if we are being bullied and what can happen if you don't sort the situation out,” Said a boy in - Year 7.

“The Laws on creating, uploading and sharing images or comments over the internet was an eye-opener to me,,” said a student in Year 8.

“For a holistic education we need to focus on character development,” said Mr/Mrs \_\_\_\_\_, \_\_\_\_\_ at the MCC Secondary Campus.

Receiving such positive feedback from our students and staff gives us confidence in why we do what we do at Mundaring Christian College. Our purpose is to build students up to have positive attitudes which will serve them well in becoming adults with virtuous character. Every student is unique and valued and is given a voice and agency so that they can be community serving, compassionate and caring.

**MOUNT HELENA CLASSIC - incorporating the  
Whim Festival and Hills Billy Cart Festival  
Sunday 27th October 2019 Pioneer Park, Mount Helena**

**Preparations are well underway for the inaugural Mount Helena Classic, which incorporates the second Hills Billy Cart Festival and the well established Whim Festival.** The event will take over the centre of Mount Helena around Pioneer Park on Sunday 27th October 2019 **so get it in the diary now!**

There will be exhilarating live action from the billy cart races throughout the day, complemented by an extensive range of market stalls, local artisans and exhibits to browse in the park. Live music will build the atmosphere, with vintage vehicles and displays for all the family to enjoy. "Turn back time" is an over-arching theme, with old fashioned games such as a coconut shy, plus retro fashion on display and everyone encouraged to dress up. Entry and many of the family activities are free and there will be a range of competitions too. The Whim Festival will continue to build upon its strong community roots as an inclusive, environmentally friendly event with a good dose of nostalgia thrown in.

Applications are now open for entries into the

Hills Billy Cart Festival and enthusiastic family teams and community groups are already planning their crazy creations. Local-centric organisations, both commercial and not for profit, who are in keeping with the Whim ethos of local, local servicing and eco-aware are warmly encouraged to apply for a stall.

The voluntary organising team are eager for the local community to be actively involved in helping present this community event in diverse ways; organisations, individuals and stallholders who would like to take part please get in touch via the website

is taught strategies to build their keys to success in addition to the integration of learned concepts provided by the classroom teacher.

"Back 2014 I picked up on some students who were struggling with social and emotional issues and noticed how it affected their schoolwork and their joy being at school," said Head of Primary, Mrs Antoinette Wilson.

"I did a vast amount of research and discovered the work of Mr Bernard, creator of the program.

"When networking with other industry professionals, I discovered that they knew the program and were also very impressed by it. It was then that we decided to implement the program at the Mundaring Christian College Primary School." She said.

Not all schools take on the YCDI program, but those that do, tend to leave it to the classroom teacher, which often results in the social-emotional learning being put to the wayside as the pressure to provide other curriculum subjects takes priority.

At Mundaring Christian College, we believe it is integral to equip students with the skills they need to succeed and that if we can develop their ability to cope in stressful situations, then students will consequently improve their academic and social competence.

"Our students have a lot to gain from the YDCI Program and will learn to understand themselves and others better," said Mrs Wilson.

"They will learn to stress less, take responsibility for choices, and make better choices", she said..

A Year 5 student (Lieve L.) recently wrote an article on YCDI, and it was encouraging to see the positive results the program is already having on our students, three weeks into Term.

Below is a short extract from Lieve's article.

"In the first week, we were learning about success. Success is when you accomplish a goal or something you've been working on for a long time. You feel really happy when you achieve success. And remember, it's about doing your personal best, not someone else's best!"

Mundaring Christian College believes that the YDCI program will strengthen the personal, social and performance capabilities of our students across both our Primary and Secondary Campus.

We invite you to book a personal tour of our College, where you can see how our unique teaching team and learning environments provide an extraordinary educational experience from Early Learning onwards.

# HASLUCK RESIDENTIAL AGED CARE EXPANSION PART OF RECORD ALLOCATION

***The Kalamunda and Gosnells communities are set to benefit from the construction of more than 240 new residential aged care places valued at over \$15 million a year in recurrent funding from the Federal Government.***

The new places will provide a welcome boost to local care services and are part of the Morrison Government's record \$967 million residential aged care expansion, announced today.

Every one of these new places will mean local seniors and their families can have more confidence, knowing they have future care options in locations as close as possible to the places they know and love.

Burswood Care's Sunshine Park

home in Lesmurdie has been allocated funding for an additional 120 places and MercyCare Maddington has been allocated 123 places to expand its Gosnells home.

Improving and growing local residential facilities and aged care services is fundamental to keeping our communities strong.

Our Government is also supporting older Australians who have complex or diverse needs with specialist places, especially to care for those who are living with dementia.

The new residential aged care expansions announced today represent

Australia's largest ever allocation of residential aged care places, a 36 per cent increase on the last round of allocations, in 2016–17.

Senior people from culturally and linguistically diverse groups, Aboriginal and Torres Strait Islander communities, veterans and LGBTI seniors will have priority access to almost a quarter of the new aged

care places.

I congratulate both local aged care providers on securing these new aged care places and I look forward to seeing

the benefits of this funding flow to our communities.

The Morrison Government is boosting annual aged care investment by \$5 billion over four years.

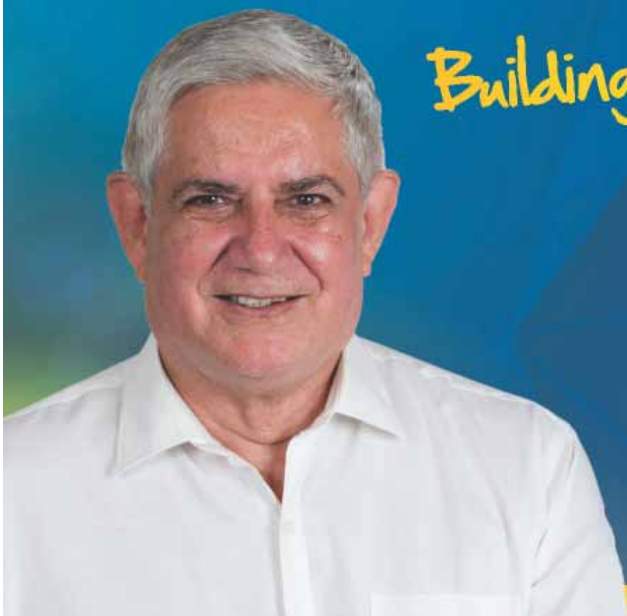

Details of the 2018–19 Aged Care Approvals Round outcomes, including successful providers, are available at: [www.agedcare.health.gov.au/funding/aged-care-approvals-round-acar/2018-19-aged-care-approvals-round](http://www.agedcare.health.gov.au/funding/aged-care-approvals-round-acar/2018-19-aged-care-approvals-round).

When: Saturday, 27 April 2019, 12noon to 1:30pm

Where: Shire of Mundaring, 7000 Great Eastern Hwy, Mundaring

A Fringe Lily  
Photo: Shire of Mundaring

Sue McDougall will be running a workshop on behalf of the Shire of Mundaring, giving an insight into what local native plant species can be used in your garden to substitute exotic species that have potential to become weedy in our bush environment. This can be done without losing any of the appeal and, all the while, making your garden water wise by using plants that are suited to our environment.

Light refreshments will be provided.

# MUNDARING SES OPEN DAY

*...find out how to become a local hero in orange*

When storms and fires threaten our homes, your local State Emergency Service members will respond to the call for help. While the pay is zilch the skills you learn, the collaborative team of which you are part of and the personal rewards you gain cannot be counted in dollars. Come and try on our open day and consider joining the team. You will help your community make homes safe during and after storms, search for lost people, assist during fires and raise awareness about keeping safe and informed.

If you enjoy working with people, helping others, working outdoors, lending a hand or have skills using tools and equipment then you CAN do this. You would

provide an essential service in your community. Because of the range of tasks that we do, there is a role for everyone.

The SES community welcomes you and will identify what you can do and what you may be interested in learning to do. Because we train using the Department of Fire and Emergency Services training programs you will acquire excellent skills with which to do the jobs you need to do. Among others, these include learning how to use tools and machinery, navigational aids, radios, rescue and search techniques, first aid, health and safety and traffic management. You may also want to attend our annual camp where we spend most of the time practicing and refreshing skills in a

great team environment. Or your focus may be that you want to promote the organisation and its messages during market days and events.

To celebrate and enjoy

*Rescue includes being able to stabilise, secure and carry injured people to safe places where they can be handed over to first aid personnel. This is an image taken during a training activity in May 2018.*

the companionship of SES we also arrange social events such as Christmas in July and end of the year functions, barbecues, dinners, Super Golf, Geo-caching, archery days, movie nights, walks and others. Being involved is therefore not just about service but also about being part of a community.

If you are interested in finding out more about this, come to our open day on Sunday the 24th March 2019 between 10.30am until 1.30pm at 14 Wandera Crescent in Mundaring.

**For more information about what SES members do you can also visit the DFES website ([www.dfes.wa.gov.au](http://www.dfes.wa.gov.au)), Google Mundaring SES or contact the Mundaring SES unit on 92953133.**
